About Our Bread Program

- House-made breads are available through a pre-order program on Saturdays only.
- We will focus on baking those breads that are the most requested. If you do not see one of your favorites listed, please don't hesitate to ask. If we can add it back to the bread menu - we will!
- The other days that we are open - we will offer **a changing menu of breads** on a first-come basis. These will include house-made breads as well as breads we source from bread-focused bakeries. Check out the list below for some of the breads we're now able to offer - all are fantastic breads w/ a great chew, nice crusty exterior and good depth of flavor!
- Specific changes - we will offer **English Muffins** once per month (see menu below). Not many are ordering these, and so we're moving to offering them once per month.
- **Honey Wheat** will also be moved to the Saturday menu. This is a very popular loaf and many were asking for it to be available on Saturdays.
